| Article Name               | MYCN Antibody, Unconjugated, Rabbit, Polyclonal                                                                    |
| Biozol Catalog Number      | PRS-13-185                                                                                                         |
| Supplier Catalog Number    | 13-185                                                                                                             |
| Alternative Catalog Number | PRS-13-185-50,PRS-13-185-100                                                                                       |
| Manufacturer               | ProSci                                                                                                             |
| Host                       | Rabbit                                                                                                             |
| Category                   | Antikörper                                                                                                         |
| Application                | IHC, WB                                                                                                            |
| Species Reactivity         | Human, Mouse, Rat                                                                                                  |
| Immunogen                  | Recombinant fusion protein containing a sequence corresponding to amino acids 168-267 of human MYCN (NP_005369.2). |
| Conjugation                | Unconjugated                                                                                                       |
| Clonality                  | Polyclonal                                                                                                         |
| Concentration              | batch dependent                                                                                                    |
| Molecular Weight           | Observed: 49kDa                                                                                                    |
| NCBI                       | <a href="#">4613</a>                                                                                               |
| UniProt                    | <a href="#">P04198</a>                                                                                             |
| Buffer                     | PBS with 0.02% sodium azide, 50% glycerol, pH7.3.                                                                  |
| Form                       | Liquid                                                                                                             |

|                    |                                                                            |
|--------------------|----------------------------------------------------------------------------|
| Application Dilute | Optimal dilutions for each application to be determined by the researcher. |
| Application Notes  | WB: 1:500 - 1:2000IHC: 1:50 - 1:200                                        |
