| Article Name               | RHOC Antibody, Unconjugated, Rabbit, Polyclonal                                                                                                                      |
| Biozol Catalog Number      | PRS-57-478                                                                                                                                                           |
| Supplier Catalog Number    | 57-478                                                                                                                                                               |
| Alternative Catalog Number | PRS-57-478-400                                                                                                                                                       |
| Manufacturer               | ProSci                                                                                                                                                               |
| Host                       | Rabbit                                                                                                                                                               |
| Category                   | Antikörper                                                                                                                                                           |
| Application                | WB                                                                                                                                                                   |
| Species Reactivity         | Human, Mouse                                                                                                                                                         |
| Immunogen                  | This RHOC antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 102-130 amino acids from the C-terminal region of human RHOC. |
| Conjugation                | Unconjugated                                                                                                                                                         |
| Clonality                  | Polyclonal                                                                                                                                                           |
| Concentration              | batch dependent                                                                                                                                                      |
| Molecular Weight           | 22 kDa                                                                                                                                                               |
| NCBI                       | <a href="#">389</a>                                                                                                                                                  |
| UniProt                    | <a href="#">P08134</a>                                                                                                                                               |
| Buffer                     | Supplied in PBS with 0.09% (W/V) sodium azide.                                                                                                                       |

|                    |                                                                            |
|--------------------|----------------------------------------------------------------------------|
| Form               | Liquid                                                                     |
| Application Dilute | Optimal dilutions for each application to be determined by the researcher. |
| Application Notes  | For WB starting dilution is: 1:2000                                        |
