| Article Name               | CFL2 Antibody, Unconjugated, Rabbit, Polyclonal                                                                                                                    |
| Biozol Catalog Number      | PRS-57-488                                                                                                                                                         |
| Supplier Catalog Number    | 57-488                                                                                                                                                             |
| Alternative Catalog Number | PRS-57-488-400                                                                                                                                                     |
| Manufacturer               | ProSci                                                                                                                                                             |
| Host                       | Rabbit                                                                                                                                                             |
| Category                   | Antikörper                                                                                                                                                         |
| Application                | IHC-P, WB                                                                                                                                                          |
| Species Reactivity         | Human                                                                                                                                                              |
| Immunogen                  | This CFL2 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 25-54 amino acids from the N-terminal region of human CFL2. |
| Conjugation                | Unconjugated                                                                                                                                                       |
| Clonality                  | Polyclonal                                                                                                                                                         |
| Concentration              | batch dependent                                                                                                                                                    |
| Molecular Weight           | 19 kDa                                                                                                                                                             |
| NCBI                       | <a href="#">1073</a>                                                                                                                                               |
| UniProt                    | <a href="#">Q9Y281</a>                                                                                                                                             |
| Buffer                     | Supplied in PBS with 0.09% (W/V) sodium azide.                                                                                                                     |

|                    |                                                                            |
|--------------------|----------------------------------------------------------------------------|
| Form               | Liquid                                                                     |
| Application Dilute | Optimal dilutions for each application to be determined by the researcher. |
| Application Notes  | For WB starting dilution is: 1:1000For IHC-P starting dilution is: 1:10~50 |
