| Article Name               | NDUFAB1 Antibody, Unconjugated, Rabbit, Polyclonal                                                                                                                         |
| Biozol Catalog Number      | PRS-57-505                                                                                                                                                                 |
| Supplier Catalog Number    | 57-505                                                                                                                                                                     |
| Alternative Catalog Number | PRS-57-505-400                                                                                                                                                             |
| Manufacturer               | ProSci                                                                                                                                                                     |
| Host                       | Rabbit                                                                                                                                                                     |
| Category                   | Antikörper                                                                                                                                                                 |
| Application                | IHC-P, WB                                                                                                                                                                  |
| Species Reactivity         | Human                                                                                                                                                                      |
| Immunogen                  | This NDUFAB1 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 128-156 amino acids from the C-terminal region of human NDUFAB1. |
| Conjugation                | Unconjugated                                                                                                                                                               |
| Clonality                  | Polyclonal                                                                                                                                                                 |
| Concentration              | batch dependent                                                                                                                                                            |
| Molecular Weight           | 17 kDa                                                                                                                                                                     |
| NCBI                       | <a href="#">4706</a>                                                                                                                                                       |
| UniProt                    | <a href="#">O14561</a>                                                                                                                                                     |
| Buffer                     | Supplied in PBS with 0.09% (W/V) sodium azide.                                                                                                                             |

|                    |                                                                                |
|--------------------|--------------------------------------------------------------------------------|
| Form               | Liquid                                                                         |
| Application Dilute | Optimal dilutions for each application to be determined by the researcher.     |
| Application Notes  | For WB starting dilution is: 1:1000<br>For IHC-P starting dilution is: 1:10~50 |
