## Product Datasheet

### CD44 Antibody, Unconjugated, Gallus, Polyclonal PRS-XW-8104

|                            |                                                    |
|----------------------------|----------------------------------------------------|
| Article Name               | CD44 Antibody, Unconjugated, Gallus, Polyclonal    |
| Biozol Catalog Number      | PRS-XW-8104                                        |
| Supplier Catalog Number    | XW-8104                                            |
| Alternative Catalog Number | PRS-XW-8104-0.05                                   |
| Manufacturer               | ProSci                                             |
| Host                       | Gallus                                             |
| Category                   | Antikörper                                         |
| Application                | WB                                                 |
| Species Reactivity         | Human                                              |
| Immunogen                  | 361-540                                            |
| Conjugation                | Unconjugated                                       |
| Clonality                  | Polyclonal                                         |
| Concentration              | 1 mg/mL                                            |
| Molecular Weight           | 15.6 kDa (calculated)                              |
| NCBI                       | <a href="#">960</a>                                |
| UniProt                    | <a href="#">P16070</a>                             |
| Buffer                     | Phosphate-Buffered Saline. No preservatives added. |
| Form                       | Liquid                                             |

|                    |                                                                                            |
|--------------------|--------------------------------------------------------------------------------------------|
| Application Dilute | Optimal dilutions for each application to be determined by the researcher.                 |
| Application Notes  | CD44 isoform RC antibody can be used for the detection of CD44 isoform RC by Western Blot. |
