| Alternative Catalog Number | BSS-BS-0042R-PE-CY5-100                                                                                           |
| Manufacturer               | Bioss                                                                                                             |
| Host                       | Rabbit                                                                                                            |
| Category                   | Antikörper                                                                                                        |
| Application                | FC                                                                                                                |
| Species Reactivity         | Canine, Human, Mouse, Rat                                                                                         |
| Immunogen                  | 101-200/748                                                                                                       |
| Conjugation                | PE/Cy5                                                                                                            |
| Product Description        | Catalyzes the reversible synthesis of acetylcholine (ACh) from acetyl CoA and choline at cholinergic synapses.... |
| Clonality                  | Polyclonal                                                                                                        |
| Concentration              | 1ug/ul                                                                                                            |
| NCBI                       | <a href="#">1103</a>                                                                                              |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.            |
| Source                     | KLH conjugated synthetic peptide derived from human ChAT                                                          |

|                    |                        |
|--------------------|------------------------|
| Purity             | Purified by Protein A. |
| Target             | ChAT                   |
| Application Dilute | FCM(1:20-100)          |
