| Article Name               | GIP Polyclonal Antibody, PerCP Conjugated, Rabbit                                                      |
| Biozol Catalog Number      | BSS-BS-0098R-PERCP                                                                                     |
| Supplier Catalog Number    | BS-0098R-PERCP                                                                                         |
| Alternative Catalog Number | BSS-BS-0098R-PERCP-100                                                                                 |
| Manufacturer               | Bioss                                                                                                  |
| Host                       | Rabbit                                                                                                 |
| Category                   | Antikörper                                                                                             |
| Application                | IF, WB                                                                                                 |
| Species Reactivity         | Mouse, Rat                                                                                             |
| Immunogen                  | 52-93/153                                                                                              |
| Conjugation                | PerCP                                                                                                  |
| Product Description        | Potent stimulator of insulin secretion and relatively poor inhibitor of gastric acid secretion....     |
| Clonality                  | Polyclonal                                                                                             |
| Concentration              | 1ug/ul                                                                                                 |
| NCBI                       | <a href="#">2695</a>                                                                                   |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Source                     | KLH conjugated synthetic peptide derived from human GIP                                                |

|                    |                                                                             |
|--------------------|-----------------------------------------------------------------------------|
| Purity             | Purified by Protein A.                                                      |
| Target             | GIP                                                                         |
| Application Dilute | WB(1:300-5000), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200) |
