| Product Description        | Mouse Oxoguanine Glycosylase 1 (OGG1) ELISA Kit for detecting OGG1 in tissue homogenates, cell lysates, cell culture supernates, other biological fluids. Species Reactivity: Mouse (Mus musculus). Detection Range: 31.2-2,000pg/ml. Sensitivity: 12.5pg/... |
| Range                      | 31.2-2,000pg/ml                                                                                                                                                                                                                                               |
| Sensitivity                | 12.5pg/ml                                                                                                                                                                                                                                                     |
