| Article Name               | Japanese encephalitis virus NS1 antibody, Unconjugated, Rabbit, Polyclonal                                                                                              |
| Biozol Catalog Number      | GTX131369                                                                                                                                                               |
| Supplier Catalog Number    | GTX131369                                                                                                                                                               |
| Alternative Catalog Number | GTX131369-25,GTX131369-100                                                                                                                                              |
| Manufacturer               | GeneTex                                                                                                                                                                 |
| Host                       | Rabbit                                                                                                                                                                  |
| Category                   | Antikörper                                                                                                                                                              |
| Application                | ICC, WB                                                                                                                                                                 |
| Species Reactivity         | Virus                                                                                                                                                                   |
| Immunogen                  | Recombinant protein encompassing a sequence within the center region of NS1 (JEV). (Japanese Encephalitis Virus strain Jaoars982)<br>The exact sequence is proprietary. |
| Conjugation                | Unconjugated                                                                                                                                                            |
| Clonality                  | Polyclonal                                                                                                                                                              |
| Concentration              | 0.16 mg/ml (Please refer to the vial label for the specific concentration.)                                                                                             |
| Molecular Weight           | 40                                                                                                                                                                      |
| Buffer                     | PBS, 20% Glycerol, 0.025% ProClin 300.                                                                                                                                  |

| Form              | Liquid                                                                                                                                                |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes | WB: 1:1000-1:10000. ICC/IF: 1:100-1:2500. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
