## Product Datasheet

### Hepatitis C virus Core Antigen antibody [H6-29] (Biotin), IgG2a, Mouse, Monoclonal GTX64114

|                            |                                                                                                   |
|----------------------------|---------------------------------------------------------------------------------------------------|
| Article Name               | Hepatitis C virus Core Antigen antibody [H6-29] (Biotin), IgG2a, Mouse, Monoclonal                |
| Biozol Catalog Number      | GTX64114                                                                                          |
| Supplier Catalog Number    | GTX64114                                                                                          |
| Alternative Catalog Number | GTX64114-50                                                                                       |
| Manufacturer               | GeneTex                                                                                           |
| Host                       | Mouse                                                                                             |
| Category                   | Antikörper                                                                                        |
| Application                | ELISA, ICC, IHC, WB                                                                               |
| Species Reactivity         | Virus                                                                                             |
| Immunogen                  | A part of the core region (nucleotides 369-704, amino acids 13-124) of HCV C expressed in E. coli |
| Conjugation                | Biotin                                                                                            |
| Clonality                  | Monoclonal                                                                                        |
| Concentration              | Batch dependent (Please refer to the vial label for the specific concentration.)                  |
| Clone Designation          | [H6-29]                                                                                           |
| Isotype                    | IgG2a                                                                                             |

|             |                                                                                 |
|-------------|---------------------------------------------------------------------------------|
| Sensitivity | Specific to human HCV core antigen of genotype 1b. Not tested in other genotype |
| Buffer      | Filter-sterilized PBS, 50% Glycerol, no preservative.                           |
| Form        | Liquid                                                                          |
