## Product Datasheet

### **FOXC1 antibody, C-term, Unconjugated, Rabbit, Polyclonal GTX80948**

|                            |                                                                                                         |
|----------------------------|---------------------------------------------------------------------------------------------------------|
| Article Name               | FOXC1 antibody, C-term, Unconjugated, Rabbit, Polyclonal                                                |
| Biozol Catalog Number      | GTX80948                                                                                                |
| Supplier Catalog Number    | GTX80948                                                                                                |
| Alternative Catalog Number | GTX80948-400                                                                                            |
| Manufacturer               | GeneTex                                                                                                 |
| Host                       | Rabbit                                                                                                  |
| Category                   | Antikörper                                                                                              |
| Application                | FACS, WB                                                                                                |
| Species Reactivity         | Human                                                                                                   |
| Immunogen                  | KLH conjugated synthetic peptide between 488-515 amino acids from the C-terminal region of human FOXC1. |
| Conjugation                | Unconjugated                                                                                            |
| Clonality                  | Polyclonal                                                                                              |
| Concentration              | Batch dependent (Please refer to the vial label for the specific concentration.)                        |
| Molecular Weight           | 57                                                                                                      |
| NCBI                       | <a href="#">2296</a>                                                                                    |
| UniProt                    | <a href="#">Q12948</a>                                                                                  |
| Buffer                     | PBS, 0.09% Sodium azide.                                                                                |

| Form              | Liquid                                                                                                                                   |
|-------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes | WB: 1:1000. FACS: 1:10-1:50. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
