## **Product Datasheet**

## TAS2R14 antibody, Unconjugated, Rabbit, Polyclonal GTX87673

| Article Name               | TAS2R14 antibody, Unconjugated, Rabbit, Polyclonal                                           |
|----------------------------|----------------------------------------------------------------------------------------------|
| Biozol Catalog Number      | GTX87673                                                                                     |
| Supplier Catalog Number    | GTX87673                                                                                     |
| Alternative Catalog Number | GTX87673-100                                                                                 |
| Manufacturer               | GeneTex                                                                                      |
| Host                       | Rabbit                                                                                       |
| Category                   | Antikörper                                                                                   |
| Application                | ICC, WB                                                                                      |
| Species Reactivity         | Human                                                                                        |
| Immunogen                  | The antiserum was produced against synthesized peptide derived from human TAS2R14 (229-278). |
| Conjugation                | Unconjugated                                                                                 |
| Clonality                  | Polyclonal                                                                                   |
| Concentration              | Batch dependent (Please refer to the vial label for the specific concentration.)             |
| Molecular Weight           | 36                                                                                           |
| NCBI                       | 50840                                                                                        |
| UniProt                    | Q9NYV8                                                                                       |

| Buffer            | PBS (without Mg and Ca) pH7.4, 150mM NaCl, 50% Glycerol, 0.02% Sodium azide.                                                                                  |
|-------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Form              | Liquid                                                                                                                                                        |
| Application Notes | WB: $1:500\sim1:1000$ . ICC/IF: $1:100\sim1:500$ . *Optimal dilutions/concentrations should be determined by the researcher.Not tested in other applications. |
