## **Product Datasheet**

## Frizzled 2 antibody, Internal, Unconjugated, Goat, Polyclonal GTX88690

| Article Name               | Frizzled 2 antibody, Internal, Unconjugated, Goat, Polyclonal                                                   |
|----------------------------|-----------------------------------------------------------------------------------------------------------------|
| Biozol Catalog Number      | GTX88690                                                                                                        |
| Supplier Catalog Number    | GTX88690                                                                                                        |
| Alternative Catalog Number | GTX88690-100                                                                                                    |
| Manufacturer               | GeneTex                                                                                                         |
| Host                       | Goat                                                                                                            |
| Category                   | Antikörper                                                                                                      |
| Application                | ICC, IHC-P, WB                                                                                                  |
| Species Reactivity         | Human                                                                                                           |
| Immunogen                  | Peptide with sequence RYATLEHPFHCPR, from the internal region of the protein sequence according to NP_001457.1. |
| Conjugation                | Unconjugated                                                                                                    |
| Clonality                  | Polyclonal                                                                                                      |
| Concentration              | 0.50 mg/ml (Please refer to the vial label for the specific concentration.)                                     |
| Molecular Weight           | 64                                                                                                              |
| NCBI                       | 2535                                                                                                            |
| UniProt                    | Q14332                                                                                                          |
| Buffer                     | TBS, 0.5% BSA, 0.02% Sodium azide.                                                                              |

| Form              | Liquid                                                                                                                                                                                |
|-------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes | WB: $0.03$ - $0.1\mu g/ml$ . ICC/IF: $10\mu g/ml$ . IHC-P: $2.5\mu g/ml$ . *Optimal dilutions/concentrations should be determined by the researcher.Not tested in other applications. |
