| Article Name               | Anti-progesterone receptor/Cy3, Rabbit, Polyclonal                        |
| Biozol Catalog Number      | BYT-ORB987683                                                             |
| Supplier Catalog Number    | orb987683                                                                 |
| Alternative Catalog Number | BYT-ORB987683-100                                                         |
| Manufacturer               | Biorbyt                                                                   |
| Host                       | Rabbit                                                                    |
| Category                   | Antikörper                                                                |
| Application                | FC, IF                                                                    |
| Species Reactivity         | Human                                                                     |
| Immunogen                  | KLH conjugated synthetic peptide derived from human progesterone receptor |
| Conjugation                | Cy3                                                                       |
| Product Description        | Anti-progesterone receptor/Cy3...                                         |
| Clonality                  | Polyclonal                                                                |
| Concentration              | 1mg/ml                                                                    |
| UniProt                    | <a href="#">P06401</a>                                                    |
| Buffer                     | 0.01M TBS(pH7.4) with 1% rAlbumin, 0.03% Proclin300 and 50% Glycerol.     |
| Form                       | Liquid                                                                    |

|                    |                                |
|--------------------|--------------------------------|
| Target             | progesterone receptor          |
| Application Dilute | Flow-Cyt=1ug/Test,IF=1:100-500 |
