| Article Name               | Fluorescein recombinant monoclonal antibody, clone 4-4-20 (enhanced), Clone: [4-4-20 enhanced], Monoclonal                       |
| Biozol Catalog Number      | ABN-RAB00004                                                                                                                     |
| Supplier Catalog Number    | RAB00004                                                                                                                         |
| Alternative Catalog Number | ABN-RAB00004-200                                                                                                                 |
| Manufacturer               | Abnova                                                                                                                           |
| Category                   | Antikörper                                                                                                                       |
| Application                | FC, WB                                                                                                                           |
| Immunogen                  | Original antibody is raised against Fluorescein I conjugated with BSA.                                                           |
| Product Description        | Mouse recombinant monoclonal antibody raised against Fluorescein....                                                             |
| Clonality                  | Monoclonal                                                                                                                       |
| Clone Designation          | [4-4-20 enhanced]                                                                                                                |
| Buffer                     | In PBS, pH 7.2 (0.02% Proclin 300)                                                                                               |
| Form                       | Liquid                                                                                                                           |
| Application Dilute         | Flow Cytometry (1 ug/mL)Negative ControlWestern Blot (1 ug/mL)The optimal working dilution should be determined by the end user. |
