## **Product Datasheet**

## Omp recombinant monoclonal antibody, clone R07-4I2, Clone: [R07-4I2], Monoclonal ABN-RAB04911

| Article Name               | Omp recombinant monoclonal antibody, clone R07-4I2, Clone: [R07-4I2], Monoclonal           |
|----------------------------|--------------------------------------------------------------------------------------------|
| Biozol Catalog Number      | ABN-RAB04911                                                                               |
| Supplier Catalog Number    | RAB04911                                                                                   |
| Alternative Catalog Number | ABN-RAB04911-100                                                                           |
| Manufacturer               | Abnova                                                                                     |
| Category                   | Antikörper                                                                                 |
| Application                | IP, WB                                                                                     |
| Species Reactivity         | Mouse                                                                                      |
| Immunogen                  | Original antibody is raised against recombinant protein corresponding to mouse Omp.        |
| Product Description        | Rabbit recombinant monoclonal antibody raised against mouse Omp                            |
| Clonality                  | Monoclonal                                                                                 |
| Clone Designation          | [R07-4I2]                                                                                  |
| UniProt                    | 18378                                                                                      |
| Buffer                     | In 50 mM Tris-Glycine, pH 7.4 (0.15M NaCl, 40% Glycerol, 0.01% Sodium azide and 0.05% BSA) |
| Form                       | Liquid                                                                                     |

| Target             | Omp                                                                                                                    |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | Immunoprecipitation(1:20)Western Blot (1:500-1:1000)The optimal working dilution should be determined by the end user. |
