| Alternative Catalog Number | ABN-H00006095-Q01-10,ABN-H00006095-Q01-25                                                                   |
| Manufacturer               | Abnova                                                                                                      |
| Category                   | Proteine/Peptide                                                                                            |
| Application                | AP, Array, ELISA, WB                                                                                        |
| Species Reactivity         | Human                                                                                                       |
| Product Description        | Human RORA partial ORF ( NP_599023, 424 a.a. - 523 a.a.) recombinant protein with GST-tag at N-terminal.... |
| Tag                        | GST                                                                                                         |
| UniProt                    | 6095                                                                                                        |
| Buffer                     | 50 mM Tris-HCl, 10 mM reduced Glutathione, pH=8.0 in the elution buffer.                                    |
| Sequence                   | SAFVLMSADRSWLQEKVKIEKLQQKIQLALQHVLQKNHREDGILTKLICKVSTL<br>RALCGRHTEKLMAFKAIYPDIVRLHFPPPLYKELFTSEFEPAMQIDG   |
| Target                     | RORA                                                                                                        |
