| Alternative Catalog Number | ABN-H00007103-Q01-10,ABN-H00007103-Q01-25                                                                     |
| Manufacturer               | Abnova                                                                                                        |
| Category                   | Proteine/Peptide                                                                                              |
| Application                | AP, Array, ELISA, WB                                                                                          |
| Species Reactivity         | Human                                                                                                         |
| Product Description        | Human TSPAN8 partial ORF ( NP_004607, 110 a.a. - 205 a.a.) recombinant protein with GST-tag at N-terminal.... |
| Tag                        | GST                                                                                                           |
| UniProt                    | 7103                                                                                                          |
| Buffer                     | 50 mM Tris-HCl, 10 mM reduced Glutathione, pH=8.0 in the elution buffer.                                      |
| Sequence                   | KSKSDRIVNETLYENTKLLSATGESEKQFQEAIIVFQEEFKCCGLVNGAADWG<br>NNFQHYPELCACLDKQRPCQSYNGKQVYKETCISFIKDFLAKN          |
| Target                     | TSPAN8                                                                                                        |
