| Manufacturer               | Abnova                                                                                                                                                                                                                    |
| Category                   | Proteine/Peptide                                                                                                                                                                                                          |
| Application                | AP, Array, ELISA, WB                                                                                                                                                                                                      |
| Species Reactivity         | Human                                                                                                                                                                                                                     |
| Product Description        | Human TPD52L2 full-length ORF ( AAH06804, 1 a.a. - 206 a.a.) recombinant protein with GST-tag at N-terminal....                                                                                                           |
| Tag                        | GST                                                                                                                                                                                                                       |
| UniProt                    | 7165                                                                                                                                                                                                                      |
| Buffer                     | 50 mM Tris-HCl, 10 mM reduced Glutathione, pH=8.0 in the elution buffer.                                                                                                                                                  |
