## **Product Datasheet**

## Human chorionic gonadotropin monoclonal antibody, clone 77F12, IgG2b, Clone: [77F12], Mouse, Monoclonal ABN-MAB2835

| Article Name               | Human chorionic gonadotropin monoclonal antibody, clone 77F12, IgG2b, Clone: [77F12], Mouse, Monoclonal |
|----------------------------|---------------------------------------------------------------------------------------------------------|
| Biozol Catalog Number      | ABN-MAB2835                                                                                             |
| Supplier Catalog Number    | MAB2835                                                                                                 |
| Alternative Catalog Number | ABN-MAB2835-200                                                                                         |
| Manufacturer               | Abnova                                                                                                  |
| Host                       | Mouse                                                                                                   |
| Category                   | Antikörper                                                                                              |
| Application                | ELISA                                                                                                   |
| Immunogen                  | HCG.                                                                                                    |
| Product Description        | Mouse monoclonal antibody raised against human chorionic gonadotropin (hCG)                             |
| Clonality                  | Monoclonal                                                                                              |
| Clone Designation          | [77F12]                                                                                                 |
| Isotype                    | lgG2b                                                                                                   |
| Buffer                     | In PBS, pH 7.4 (0.09% sodium azide)                                                                     |
| Form                       | Liquid                                                                                                  |
| Application Dilute         | The optimal working dilution should be determined by the end user.                                      |
