## Product Datasheet

### **Influenza A virus nucleoprotein monoclonal antibody, clone F8, IgG2a, Mouse, Monoclonal ABN-MAB3150**

|                            |                                                                                         |
|----------------------------|-----------------------------------------------------------------------------------------|
| Article Name               | Influenza A virus nucleoprotein monoclonal antibody, clone F8, IgG2a, Mouse, Monoclonal |
| Biozol Catalog Number      | ABN-MAB3150                                                                             |
| Supplier Catalog Number    | MAB3150                                                                                 |
| Alternative Catalog Number | ABN-MAB3150-200                                                                         |
| Manufacturer               | Abnova                                                                                  |
| Host                       | Mouse                                                                                   |
| Category                   | Antikörper                                                                              |
| Application                | ELISA, ICC                                                                              |
| Species Reactivity         | Virus                                                                                   |
| Immunogen                  | Influenza virus type A (strain H1N1).                                                   |
| Product Description        | Mouse monoclonal antibody raised against influenza A virus nucleoprotein....            |
| Clonality                  | Monoclonal                                                                              |
| Isotype                    | IgG2a                                                                                   |
| Buffer                     | In PBS, pH 7.4 (0.09% sodium azide)                                                     |
| Form                       | Liquid                                                                                  |
| Application Dilute         | The optimal working dilution should be determined by the end user.                      |
