## **Product Datasheet**

## CD19 monoclonal antibody, clone SJ25-C1 (PE/Cy5.5), IgG1, Clone: [SJ25-C1], Mouse, Monoclonal ABN-MAB5984

| Article Name               | CD19 monoclonal antibody, clone SJ25-C1 (PE/Cy5.5), IgG1, Clone: [SJ25-C1], Mouse, Monoclonal |
|----------------------------|-----------------------------------------------------------------------------------------------|
| Biozol Catalog Number      | ABN-MAB5984                                                                                   |
| Supplier Catalog Number    | MAB5984                                                                                       |
| Alternative Catalog Number | ABN-MAB5984-100                                                                               |
| Manufacturer               | Abnova                                                                                        |
| Host                       | Mouse                                                                                         |
| Category                   | Antikörper                                                                                    |
| Application                | FC, IHC-Fr, IP                                                                                |
| Species Reactivity         | Human                                                                                         |
| Immunogen                  | Native purified from NALM-1 and NALM-16 cells.                                                |
| Conjugation                | PE/Cy5.5                                                                                      |
| Product Description        | Mouse monoclonal antibody raised against native CD19                                          |
| Clonality                  | Monoclonal                                                                                    |
| Clone Designation          | [SJ25-C1]                                                                                     |
| Isotype                    | IgG1                                                                                          |
| Buffer                     | In PBS (0.09% sodium azide)                                                                   |
| Form                       | Liquid                                                                                        |

| Application Dilute | Flow Cytometry (10 ul/106 cells)The optimal working dilution should be determined by the end user. |
|--------------------|----------------------------------------------------------------------------------------------------|
| Application Bildto | be determined by the end user.                                                                     |
