## Product Datasheet

### **IgG monoclonal antibody, clone ICO-97, IgG1, Clone: [ICO-97], Mouse, Monoclonal ABN-MAB6980**

|                            |                                                                                                                 |
|----------------------------|-----------------------------------------------------------------------------------------------------------------|
| Article Name               | IgG monoclonal antibody, clone ICO-97, IgG1, Clone: [ICO-97], Mouse, Monoclonal                                 |
| Biozol Catalog Number      | ABN-MAB6980                                                                                                     |
| Supplier Catalog Number    | MAB6980                                                                                                         |
| Alternative Catalog Number | ABN-MAB6980-100                                                                                                 |
| Manufacturer               | Abnova                                                                                                          |
| Host                       | Mouse                                                                                                           |
| Category                   | Antikörper                                                                                                      |
| Application                | FC                                                                                                              |
| Species Reactivity         | Human                                                                                                           |
| Immunogen                  | Human IgG.                                                                                                      |
| Product Description        | Mouse monoclonal antibody raised against IgG....                                                                |
| Clonality                  | Monoclonal                                                                                                      |
| Clone Designation          | [ICO-97]                                                                                                        |
| Isotype                    | IgG1                                                                                                            |
| Buffer                     | In 50 mM sodium phosphate buffer, 100 mM potassium Chloride, 150 mM NaCl, pH 7.5 (0.5 mg/mL gentamicin sulfate) |
| Form                       | Liquid                                                                                                          |

Application Dilute

The optimal working dilution should be determined by the end user.
