| Article Name               | BAK1 polyclonal antibody, Rabbit                                                           |
| Biozol Catalog Number      | ABN-PAB12926                                                                               |
| Supplier Catalog Number    | PAB12926                                                                                   |
| Alternative Catalog Number | ABN-PAB12926-100                                                                           |
| Manufacturer               | Abnova                                                                                     |
| Host                       | Rabbit                                                                                     |
| Category                   | Antikörper                                                                                 |
| Application                | ICC, WB                                                                                    |
| Species Reactivity         | Human                                                                                      |
| Immunogen                  | A synthetic peptide corresponding to N-terminus 13 amino acids of human BAK1.              |
| Product Description        | Rabbit polyclonal antibody raised against synthetic peptide of BAK1....                    |
| UniProt                    | 578                                                                                        |
| Buffer                     | In PBS (0.02% sodium azide)                                                                |
| Form                       | Liquid                                                                                     |
| Target                     | BAK1                                                                                       |
| Application Dilute         | Western Blot (1-2 ug/mL)The optimal working dilution should be determined by the end user. |
