## Product Datasheet

### **MTERFD2 polyclonal antibody, Rabbit ABN-PAB27408**

|                            |                                                                                     |
|----------------------------|-------------------------------------------------------------------------------------|
| Article Name               | MTERFD2 polyclonal antibody, Rabbit                                                 |
| Biozol Catalog Number      | ABN-PAB27408                                                                        |
| Supplier Catalog Number    | PAB27408                                                                            |
| Alternative Catalog Number | ABN-PAB27408-100                                                                    |
| Manufacturer               | Abnova                                                                              |
| Host                       | Rabbit                                                                              |
| Category                   | Antikörper                                                                          |
| Application                | ELISA, IF, IHC, WB                                                                  |
| Species Reactivity         | Human                                                                               |
| Immunogen                  | A synthetic peptide corresponding to 17 amino acids at C-terminus of human MTERFD2. |
| Product Description        | Rabbit polyclonal antibody raised against synthetic peptide of MTERFD2....          |
| Concentration              | 1 mg/mL                                                                             |
| UniProt                    | 130916                                                                              |
| Buffer                     | In PBS (0.02% sodium azide)                                                         |
| Form                       | Liquid                                                                              |
| Target                     | MTERFD2                                                                             |

|                    |                                                                                                                                                       |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | Western Blot (1 ug/mL)Immunohistochemistry (2.5 ug/mL)Immunofluorescence (20 ug/mL)The optimal working dilution should be determined by the end user. |
