## Product Datasheet

### **InVivoMAb anti-mouse MHC Class II (I-A/I-E), IgG2b, Clone: [M5/114], Rat, Monoclonal BXC-BE0108-5MG**

|                            |                                                                                      |
|----------------------------|--------------------------------------------------------------------------------------|
| Article Name               | InVivoMAb anti-mouse MHC Class II (I-A/I-E), IgG2b, Clone: [M5/114], Rat, Monoclonal |
| Biozol Catalog Number      | BXC-BE0108-5MG                                                                       |
| Supplier Catalog Number    | BE0108-5MG                                                                           |
| Alternative Catalog Number | BXC-BE0108-5MG                                                                       |
| Manufacturer               | Bio X Cell                                                                           |
| Host                       | Rat                                                                                  |
| Category                   | Antikörper                                                                           |
| Species Reactivity         | Mouse                                                                                |
| Immunogen                  | Activated C57BL/6 mouse spleen cells                                                 |
| Clonality                  | Monoclonal                                                                           |
| Concentration              | Lot specific, typically between 4-11 mg/ml                                           |
| Clone Designation          | [M5/114]                                                                             |
| Molecular Weight           | 150 kDa                                                                              |
| Isotype                    | IgG2b                                                                                |
| Pubmed                     | <a href=https://pubmed.ncbi.nlm.nih.gov/20156971 target=_blank rel=nofollow>20156971 |
| Target                     | MHC class II                                                                         |

|                   |                                                                                                                   |
|-------------------|-------------------------------------------------------------------------------------------------------------------|
| Application Notes | in vivo MHC II blockade, Functional assays, Immunofluorescence, Western blot, Immunoprecipitation, Flow cytometry |
|-------------------|-------------------------------------------------------------------------------------------------------------------|
