## Product Datasheet

### **InVivoPlus anti-mouse VEGFR-2, Clone: [DC101], Rat, Monoclonal BXC-BP0060-5MG**

|                            |                                                                                                |
|----------------------------|------------------------------------------------------------------------------------------------|
| Article Name               | InVivoPlus anti-mouse VEGFR-2, Clone: [DC101], Rat, Monoclonal                                 |
| Biozol Catalog Number      | BXC-BP0060-5MG                                                                                 |
| Supplier Catalog Number    | BP0060-5MG                                                                                     |
| Alternative Catalog Number | BXC-BP0060-5MG                                                                                 |
| Manufacturer               | Bio X Cell                                                                                     |
| Host                       | Rat                                                                                            |
| Category                   | Antikörper                                                                                     |
| Species Reactivity         | Mouse                                                                                          |
| Immunogen                  | Mouse VEGFR-2-SEAPs soluble receptor                                                           |
| Clonality                  | Monoclonal                                                                                     |
| Concentration              | Lot specific, typically between 4-11 mg/ml                                                     |
| Clone Designation          | [DC101]                                                                                        |
| Molecular Weight           | 150 kDa                                                                                        |
| Pubmed                     | <a href=https://pubmed.ncbi.nlm.nih.gov/26212250 target=_blank rel=nofollow>26212250           |
| Target                     | VEGFR-2                                                                                        |
| Application Notes          | in vivo blocking of VEGF/VEGFR-2 signaling, in vitro blocking of VEGFR signaling, Western blot |
