| Alternative Catalog Number | ABS-SPD-C5251-1MG                                                                                                                                                            |
| Manufacturer               | AcroBiosystems                                                                                                                                                               |
| Host                       | Virus                                                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                                                   |
| Species Reactivity         | Virus                                                                                                                                                                        |
| Conjugation                | Unconjugated                                                                                                                                                                 |
| Product Description        | SARSCoV2 S protein RBD, Mouse IgG2a Fc Tag (SPDC5251) is expressed from human 293 cells (HEK293). It contains AA Arg 319 Phe 541 (Accession QHD43416.1). - Viral Proteins... |
| Molecular Weight           | 52.0 kDa                                                                                                                                                                     |
| Tag                        | C-mFc(mIgG2a)                                                                                                                                                                |
| NCBI                       | <a href="#">43416</a>                                                                                                                                                        |
| Buffer                     | 10 mM PB, Arginine, pH7.4                                                                                                                                                    |
| Source                     | SARS-CoV-2 S protein RBD, Mouse IgG2a Fc Tag (SPD-C5251) is expressed from human 293 cells (HEK293). It contains AA Arg 319 - Phe 541 (Accession QHD43416.1).                |
