| Manufacturer               | AcroBiosystems                                                                                                                                   |
| Host                       | Human                                                                                                                                            |
| Category                   | Proteine/Peptide                                                                                                                                 |
| Species Reactivity         | Human                                                                                                                                            |
| Conjugation                | Unconjugated                                                                                                                                     |
| Product Description        | Human uPAR (209303), His Tag (UPRH52H6) is expressed from human 293 cells (HEK293). It contains AA Leu 209 Arg 303 (Accession Q034051). - N/A... |
| Molecular Weight           | 12.3 kDa                                                                                                                                         |
| Tag                        | C-10*His                                                                                                                                         |
| NCBI                       | <a href="#">002650</a>                                                                                                                           |
| UniProt                    | <a href="#">Q03405</a>                                                                                                                           |
| Buffer                     | PBS, pH7.4                                                                                                                                       |
| Source                     | Human uPAR (209-303), His Tag (UPR-H52H6) is expressed from human 293 cells (HEK293). It contains AA Leu 209 - Arg 303 (Accession Q03405-1).     |

|                   |                   |
|-------------------|-------------------|
| Expression System | Leu 209 - Arg 303 |
| Purity            | 90%               |
| Form              | Powder            |
| Target            | uPAR              |
