## Product Datasheet

### Phospho-NF-kB p65/RelA-S468 Rabbit pAb, Unconjugated, Polyclonal MBL-CNAP0446P

|                            |                                                                                                       |
|----------------------------|-------------------------------------------------------------------------------------------------------|
| Article Name               | Phospho-NF-kB p65/RelA-S468 Rabbit pAb, Unconjugated, Polyclonal                                      |
| Biozol Catalog Number      | MBL-CNAP0446P                                                                                         |
| Supplier Catalog Number    | CNAP0446P                                                                                             |
| Alternative Catalog Number | MBL-CNAP0446P                                                                                         |
| Manufacturer               | MBL                                                                                                   |
| Host                       | Rabbit                                                                                                |
| Category                   | Antikörper                                                                                            |
| Application                | WB                                                                                                    |
| Species Reactivity         | Human, Rat                                                                                            |
| Immunogen                  | A synthetic phosphorylated peptide around S468 of human Phospho-NF-kB p65/RelA-S468 (NP_001138610.1). |
| Conjugation                | Unconjugated                                                                                          |
| Clonality                  | Polyclonal                                                                                            |
| Molecular Weight           | 60kDa                                                                                                 |
| Buffer                     | PBS with 0.05% Proclin300,50% glycerol                                                                |
| Target                     | A synthetic phosphorylated peptide around S468 of human Phospho-NF-kB p65/RelA-S468 (NP_001138610.1). |
