Product Datasheet

Anti-SPANX-C (RABBIT) Antibody, Rabbit, Polyclonal ABT-ASR4410

| | |
|----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Article Name | Anti-SPANX-C (RABBIT) Antibody, Rabbit, Polyclonal |
| Biozol Catalog Number | ABT-ASR4410 |
| Supplier Catalog Number | ASR4410 |
| Alternative Catalog Number | ABT-ASR4410-500UG |
| Manufacturer | Abcepta |
| Host | Rabbit |
| Category | Antikörper |
| Species Reactivity | Human |
| Immunogen | This Protein A purified antibody was prepared from whole rabbit serum produced by repeated immunizations with full-length recombinant human SPANX-C protein. |
| Product Description | This antibody is designed, produced, and validated as part of a collaboration between Rockland and the National Cancer Institute (NCI) and is suitable for Cancer, Immunology and Nuclear Signaling research. Human Sperm Proteins Associated with the Nuc... |
| Clonality | Polyclonal |
| Concentration | 5.0 mg/mL |
| UniProt | Q9NY87 |
| Buffer | 0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2 |

| | |
|-------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Purity | This Protein A purified antibody is directed against human SPANX-C protein. The product was purified from monospecific antiserum by protein A chromatography followed by exhaustive dialysis against the buffer stated above. A protein-protein BLAST analysis |
| Application Notes | This protein A purified antibody has been tested for use in ELISA, immunohistochemistry, and by western blot. Specific conditions for reactivity should be optimized by the end user. Expect a band approximately 15-20 kDa in size corresponding to SPANX fam |
