## Product Datasheet

### Anti-PhosphoThreonine (pT) [RABBIT] Antibody, Rabbit, Polyclonal ABT-ASR5175

Article Name	Anti-PhosphoThreonine (pT) [RABBIT] Antibody, Rabbit, Polyclonal
Biozol Catalog Number	ABT-ASR5175
Supplier Catalog Number	ASR5175
Alternative Catalog Number	ABT-ASR5175-100UG
Manufacturer	Abcepta
Host	Rabbit
Category	Antikörper
Species Reactivity	Mouse
Immunogen	PhosphoThreonine antibody was prepared from whole rabbit serum produced by repeated immunizations with phosphothreonine conjugated KLH.
Product Description	Phospho-Threonine Antibody detects proteins and peptides phosphorylated at threonine residues in a manner largely independent of the surrounding amino acid sequence. Phosphorylation of threonine residues is associated with many growth factors and onc...
Clonality	Polyclonal
Concentration	1.0 mg/mL
Buffer	0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2

Purity	Antibody was prepared from monospecific antiserum by immunoaffinity chromatography using phosphorylated threonine peptide coupled to agarose. Assay by immunoelectrophoresis resulted in a single precipitin arc against anti-Rabbit IgG. Reactivity is specif
Application Notes	This affinity-purified antibody is tested for use in ELISA, western blotting and immunoprecipitation assays. The antibody reacts specifically with phosphothreonine and shows minimal reactivity by ELISA and western blotting with proteins containing phosph
