| Alternative Catalog Number | CSB-PA652404XA01DIL-10                                                             |
| Manufacturer               | Cusabio                                                                            |
| Host                       | Rabbit                                                                             |
| Category                   | Antikörper                                                                         |
| Application                | ELISA, WB                                                                          |
| Species Reactivity         | Fish                                                                               |
| Immunogen                  | Recombinant Danio rerio (Zebrafish) (Brachydanio rerio) med12 protein              |
| Conjugation                | Unconjugated                                                                       |
| Clonality                  | Polyclonal                                                                         |
| Concentration              | Antibody titer > 1: 64,000 confirmed by ELISA,                                     |
| UniProt                    | <a href="#">Q2QCI8</a>                                                             |
| Buffer                     | Preservative: 0.03% Proclin 300<br />Constituents: 50% Glycerol, 0.01M PBS, pH 7.4 |
| Purity                     | Antibody purity > 90% confirmed by SDS-PAGE,                                       |
| Target                     | med12                                                                              |

Application Notes

WB positive with the immunogen protein(Not applicable for synthetic peptide),
