| Manufacturer               | Cusabio                                                                           |
| Host                       | Rabbit                                                                            |
| Category                   | Antikörper                                                                        |
| Application                | ELISA, WB                                                                         |
| Species Reactivity         | Other                                                                             |
| Immunogen                  | Recombinant Caenorhabditis elegans trp-1 protein                                  |
| Conjugation                | Unconjugated                                                                      |
| Clonality                  | Polyclonal                                                                        |
| Concentration              | Antibody titer > 1: 64,000 confirmed by ELISA,                                    |
| UniProt                    | <a href="#">P34586</a>                                                            |
| Buffer                     | Preservative: 0.03% Proclin 300<br>& Constituent: 50% Glycerol, 0.01M PBS, pH 7.4 |
| Purity                     | Antibody purity > 90% confirmed by SDS-PAGE,                                      |
| Target                     | trp-1                                                                             |

Application Notes

WB positive with the immunogen protein(Not applicable for synthetic peptide),
