| Manufacturer               | US Biological                                                                                                                                                                                                                                              |
| Host                       | Rabbit                                                                                                                                                                                                                                                     |
| Category                   | Antikörper                                                                                                                                                                                                                                                 |
| Application                | IHC, WB                                                                                                                                                                                                                                                    |
| Immunogen                  | Synthetic peptide corresponding to a thirteen amino acid sequence with the C-terminal region of human XIAP.                                                                                                                                                |
| Product Description        | MaxLight(TM)650 is a new Far-IR stable dye conjugate comparable to Alexa Fluor(TM)647, DyLight(TM)649, Cy5(TM) and offers better labeling efficiency, brighter imaging and increased immunodetection. Absorbance (655nm), Emission (676nm), Extinction Coe |
| UniProt                    | P98170                                                                                                                                                                                                                                                     |
| Purity                     | Purified by affinity chromatography.                                                                                                                                                                                                                       |

Supplied as a liquid in PBS, pH 7.2. Labeled with MaxLight(TM)650.
