| Manufacturer               | Boster Bio                                                                                                                                                                    |
| Category                   | Proteine/Peptide                                                                                                                                                              |
| Product Description        | Recombinant protein of human SWI/SNF-related, matrix-associated actin-dependent regulator of chromatin, subfamily a, containing DEAD/H box 1 (SMARCAD1), transcript variant 3 |
| Concentration              | >50 ug/mL as determined by microplate BCA method                                                                                                                              |
| Molecular Weight           | 117.2 kDa                                                                                                                                                                     |
| Tag                        | C-Myc/DDK                                                                                                                                                                     |
| UniProt                    | Q9H4L7                                                                                                                                                                        |
| Buffer                     | 25 mM Tris.HCl, pH 7.3, 100 mM glycine, 10% glycerol                                                                                                                          |
| Source                     | HEK293T                                                                                                                                                                       |
| Purity                     | > 80% as determined by SDS-PAGE and Coomassie blue staining                                                                                                                   |
| Form                       | Frozen Solution in PBS Buffer                                                                                                                                                 |
| Sequence                   | REF!                                                                                                                                                                          |
