| Species Reactivity         | Human                                                                                                                                                                  |
| Conjugation                | Unconjugated                                                                                                                                                           |
| Product Description        | This TBCD7 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 150-179 amino acids from the Central region of human TBCD7.... |
| Clonality                  | Polyclonal                                                                                                                                                             |
| Concentration              | batch dependent                                                                                                                                                        |
| Molecular Weight           | 34.0kDa                                                                                                                                                                |
| UniProt                    | <a href="#">Q9P0N9</a>                                                                                                                                                 |
| Buffer                     | Purified polyclonal antibody supplied in PBS with 0.05% sodium azide. This antibody is purified through a protein A column, followed by peptide affinity purification. |
