| Article Name               | IGSF1 Antibody, Unconjugated, Rabbit, Polyclonal                                                       |
| Biozol Catalog Number      | BYT-ORB1241792                                                                                         |
| Supplier Catalog Number    | orb1241792                                                                                             |
| Alternative Catalog Number | BYT-ORB1241792-100                                                                                     |
| Manufacturer               | Biorbyt                                                                                                |
| Host                       | Rabbit                                                                                                 |
| Category                   | Antikörper                                                                                             |
| Application                | ELISA, IHC, WB                                                                                         |
| Species Reactivity         | Human                                                                                                  |
| Immunogen                  | Antibody produced in rabbits immunized with a synthetic peptide corresponding a region of human IGSF1. |
| Conjugation                | Unconjugated                                                                                           |
| Product Description        | IGSF1 Antibody...                                                                                      |
| Clonality                  | Polyclonal                                                                                             |
| Concentration              | batch dependent                                                                                        |
| Molecular Weight           | 27 kDa, 149 kDa                                                                                        |
| NCBI                       | <a href="#">991402</a>                                                                                 |
| UniProt                    | <a href="#">Q8N6C5</a>                                                                                 |

|                    |                                                                                                                                                                                                                                      |
|--------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Buffer             | Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose.                                                                                                                                            |
| Form               | Liquid                                                                                                                                                                                                                               |
| Target             | IGSF1                                                                                                                                                                                                                                |
| Application Dilute | IGSF1 antibody can be used for detection of IGSF1 by ELISA at 1:312500. IGSF1 antibody can be used for detection of IGSF1 by western blot at 1.25 µg/mL, and HRP conjugated secondary antibody should be diluted 1:50,000 - 100,000. |
| Application Notes  | IGSF1 antibody can be used for detection of IGSF1 by ELISA at 1:312500. IGSF1 antibody can be used for detection of IGSF1 by western blot at 1.25 µg/mL, and HRP conjugated secondary antibody should be diluted 1:50,000 - 100,000. |
