## Product Datasheet

### Goat anti-Arylsulfatase C / STS EVE-EB08062

|                            |  |
|----------------------------|--|
| Article Name               | Goat anti-Arylsulfatase C / STS          |
| Biozol Catalog Number      | EVE-EB08062                              |
| Supplier Catalog Number    | EB08062                                  |
| Alternative Catalog Number | EVE-EB08062                              |
| Manufacturer               | Everest                                  |
| Host                       | Goat                                     |
| Category                   | Antikörper                               |
| Application                | ELISA, WB                                |
| Species Reactivity         | Human                                    |
| Immunogen                  | C-QAGQKIDEPTSN                           |
| Clonality                  | Polyclonal                               |
| Molecular Weight           | 65,5                                     |
| NCBI                       | <a href="#">412</a>                      |
| Purity                     | Antigen affinity purified                |
| Sequence                   | QAGQKIDEPTSN                             |
| Target                     | Goat anti-Arylsulfatase C / STS Antibody |

|                    |  |
|--------------------|--|
| Application Dilute | Peptide ELISA: antibody detection limit dilution 1:32000. Western Blot: Approx 70kDa band observed in Human Placenta lysates (calculated MW of 65.5kDa according to NP_000342.2). Recommended concentration: 0.01-0.03µg/ml. |
|--------------------|--|
