## Product Datasheet

### Goat anti-CHCHD3 EVE-EB09839

|                            |                                                       |
|----------------------------|-------------------------------------------------------|
| Article Name               | Goat anti-CHCHD3                                      |
| Biozol Catalog Number      | EVE-EB09839                                           |
| Supplier Catalog Number    | EB09839                                               |
| Alternative Catalog Number | EVE-EB09839                                           |
| Manufacturer               | Everest                                               |
| Host                       | Goat                                                  |
| Category                   | Antikörper                                            |
| Application                | ELISA, WB, IHC                                        |
| Species Reactivity         | Human                                                 |
| Immunogen                  | KFKRYESHPVCAD                                         |
| Clonality                  | Polyclonal                                            |
| Molecular Weight           | 26,2                                                  |
| NCBI                       | <a href="#">296966 (rat)</a> ,, <a href="#">54927</a> |
| Purity                     | Antigen affinity purified                             |
| Sequence                   | KFKRYESHPVCAD                                         |
| Target                     | Goat anti-CHCHD3 Antibody                             |

|                    |                                                                                                                                                                                                                                                               |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | Peptide ELISA: antibody detection limit dilution 1:16000. Western Blot: Approx 26kDa band observed in Human Brain (Cerebellum) and Heart lysates (calculated MW of 26.2kDa according to NP_060282.1). Recommended concentration: 1-3µg/ml. A customer found ~ |
