### Goat anti-Connexin 43 / GJA1 EVE-EB09301

|                            |                                                    |
|----------------------------|----------------------------------------------------|
| Article Name               | Goat anti-Connexin 43 / GJA1                       |
| Biozol Catalog Number      | EVE-EB09301                                        |
| Supplier Catalog Number    | EB09301                                            |
| Alternative Catalog Number | EVE-EB09301                                        |
| Manufacturer               | Everest                                            |
| Host                       | Goat                                               |
| Category                   | Antikörper                                         |
| Application                | ELISA, WB                                          |
| Species Reactivity         | Human, Rat                                         |
| Immunogen                  | C-QPFD FPDDNQNSKK                                  |
| Clonality                  | Polyclonal                                         |
| Molecular Weight           | 43                                                 |
| NCBI                       | <a href="#">24392 (rat)</a> , <a href="#">2697</a> |
| Purity                     | Antigen affinity purified                          |
| Sequence                   | QPFD FPDDNQNSKK                                    |
| Target                     | Goat anti-Connexin 43 / GJA1 Antibody              |

|                    |                                                                                                                                                                                                                                                               |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | Peptide ELISA: antibody detection limit dilution 1:32000. Western Blot: Approx 40kDa band observed in Human and Rat Heart lysates (calculated MW of 43.0kDa according to Human NP_000156.1and Rat NP_036699.1). Recommended concentration: 0.1-1µg/ml. Primar |
