## Product Datasheet

### Goat anti-DMRT2 EVE-EB09408

|                            |                                                                                       |
|----------------------------|---------------------------------------------------------------------------------------|
| Article Name               | Goat anti-DMRT2                                                                       |
| Biozol Catalog Number      | EVE-EB09408                                                                           |
| Supplier Catalog Number    | EB09408                                                                               |
| Alternative Catalog Number | EVE-EB09408                                                                           |
| Manufacturer               | Everest                                                                               |
| Host                       | Goat                                                                                  |
| Category                   | Antikörper                                                                            |
| Application                | ELISA, IHC                                                                            |
| Species Reactivity         | Human                                                                                 |
| Immunogen                  | C-KRPSSAITRVSQ                                                                        |
| Clonality                  | Polyclonal                                                                            |
| Molecular Weight           | 24.5, 61.8                                                                            |
| NCBI                       | <a href="#">226049 (mouse)</a> , <a href="#">309430 (rat)</a> , <a href="#">10655</a> |
| Purity                     | Antigen affinity purified                                                             |
| Sequence                   | KRPSSAITRVSQ                                                                          |
| Target                     | Goat anti-DMRT2 Antibody                                                              |

|                    |                                                                                                                                                                                                    |
|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | Peptide ELISA: antibody detection limit dilution 1:8000. Immunohistochemistry: In paraffin embedded Human Kidney shows nuclear staining primarily in the DCT. Recommended concentration, 2-4µg/ml. |
