## Product Datasheet

### Goat anti-Farnesoid X receptor / FXR EVE-EB07540

|                            |   |
|----------------------------|---|
| Article Name               | Goat anti-Farnesoid X receptor / FXR          |
| Biozol Catalog Number      | EVE-EB07540                                   |
| Supplier Catalog Number    | EB07540                                       |
| Alternative Catalog Number | EVE-EB07540                                   |
| Manufacturer               | Everest                                       |
| Host                       | Goat  |
| Category                   | Antikörper                                    |
| Application                | ELISA, WB                                     |
| Species Reactivity         | Human   |
| Immunogen                  | KSCREKTELTPDQQ                                |
| Clonality                  | Polyclonal                                    |
| Molecular Weight           | 54,4  |
| NCBI                       | <a href="#">9971</a>                          |
| Purity                     | Antigen affinity purified                     |
| Sequence                   | KSCREKTELTPDQQ                                |
| Target                     | Goat anti-Farnesoid X receptor / FXR Antibody |

|                    |  |
|--------------------|--|
| Application Dilute | Peptide ELISA: antibody detection limit dilution 1:32000. Western Blot: Approx 55kDa band observed in Human Duodenum and Human Lung lysates (calculated MW of 54.4kDa according to NP_005114.1). Recommended concentration: 1-3µg/ml. Primary incubation was |
