## Product Datasheet

### Goat anti-IGFBP7 (aa145-159) EVE-EB09317

|                            |                                       |
|----------------------------|---------------------------------------|
| Article Name               | Goat anti-IGFBP7 (aa145-159)          |
| Biozol Catalog Number      | EVE-EB09317                           |
| Supplier Catalog Number    | EB09317                               |
| Alternative Catalog Number | EVE-EB09317                           |
| Manufacturer               | Everest                               |
| Host                       | Goat                                  |
| Category                   | Antikörper                            |
| Application                | ELISA, WB                             |
| Species Reactivity         | Mouse                                 |
| Immunogen                  | EKAITQVSKGTCEQG                       |
| Clonality                  | Polyclonal                            |
| Molecular Weight           | 29,1                                  |
| NCBI                       | <a href="#">3490</a>                  |
| Purity                     | Antigen affinity purified             |
| Sequence                   | EKAITQVSKGTCEQG                       |
| Target                     | Goat anti-IGFBP7 (aa145-159) Antibody |

|                    |   |
|--------------------|---|
| Application Dilute | Peptide ELISA: antibody detection limit dilution 1:8000. Western Blot: Approx 30kDa band observed in Mouse Kidney lysates (calculated MW of 29.1kDa according to Human NP_001544.1 and to Mouse NP_032074.3). Recommended concentration: 1-3µg/ml. Primary in |
