### Goat anti-Melanocortin 3 Receptor EVE-EB06726

|                            |  |
|----------------------------|--|
| Article Name               | Goat anti-Melanocortin 3 Receptor          |
| Biozol Catalog Number      | EVE-EB06726                                |
| Supplier Catalog Number    | EB06726                                    |
| Alternative Catalog Number | EVE-EB06726                                |
| Manufacturer               | Everest                                    |
| Host                       | Goat                                       |
| Category                   | Antikörper                                 |
| Application                | ELISA, WB                                  |
| Species Reactivity         | Human                                      |
| Immunogen                  | SIQKTYLEGDFV-C                             |
| Clonality                  | Polyclonal                                 |
| Molecular Weight           | 40,1                                       |
| NCBI                       | <a href="#">4159</a>                       |
| Purity                     | Antigen affinity purified                  |
| Sequence                   | SIQKTYLEGDFV                               |
| Target                     | Goat anti-Melanocortin 3 Receptor Antibody |

|                    |  |
|--------------------|--|
| Application Dilute | Peptide ELISA: antibody detection limit dilution 1:16000.   Western Blot: Approx 40kDa band observed in Human Brain lysates (calculated MW of 40.1kDa according to NP_063941.2).<br>Recommended concentration: 1-3µg/ml. |
|--------------------|--|
