| Article Name               | Goat anti-PAX1 (aa318-329)                                                            |
| Biozol Catalog Number      | EVE-EB10702                                                                           |
| Supplier Catalog Number    | EB10702                                                                               |
| Alternative Catalog Number | EVE-EB10702                                                                           |
| Manufacturer               | Everest                                                                               |
| Host                       | Goat                                                                                  |
| Category                   | Antikörper                                                                            |
| Application                | ELISA, WB                                                                             |
| Species Reactivity         | Human                                                                                 |
| Immunogen                  | C-PKMEDWAGVNRT                                                                        |
| Clonality                  | Polyclonal                                                                            |
| Molecular Weight           | 55,5                                                                                  |
| NCBI                       | <a href="#">5075</a> , <a href="#">18503 (mouse)</a> , <a href="#">311505 (rat)</a> , |
| Purity                     | Antigen affinity purified                                                             |
| Sequence                   | PKMEDWAGVNRT                                                                          |
| Target                     | Goat anti-PAX1 (aa318-329) Antibody                                                   |

|                    |                                                                                                                                                                                                                                      |
|--------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | Peptide ELISA: antibody detection limit dilution 1:32000. Western Blot: Approx 50kDa band observed in Human Brain (Cerebellum) lysates (calculated MW of 55.5kDa according to NP_006183.2). Recommended concentration: 0.2-0.6µg/ml. |
