### Goat anti-Pecanex homolog EVE-EB05009

|                            |                                                                                        |
|----------------------------|----------------------------------------------------------------------------------------|
| Article Name               | Goat anti-Pecanex homolog                                                              |
| Biozol Catalog Number      | EVE-EB05009                                                                            |
| Supplier Catalog Number    | EB05009                                                                                |
| Alternative Catalog Number | EVE-EB05009                                                                            |
| Manufacturer               | Everest                                                                                |
| Host                       | Goat                                                                                   |
| Category                   | Antikörper                                                                             |
| Application                | ELISA                                                                                  |
| Species Reactivity         | Porcine, Mouse, Bovine, Canine, Rat, Human                                             |
| Immunogen                  | C-TVIETGVLELGAEV                                                                       |
| Clonality                  | Polyclonal                                                                             |
| Molecular Weight           | 259                                                                                    |
| NCBI                       | <a href="#">22990</a> , <a href="#">54604 (mouse)</a> , <a href="#">314288 (rat)</a> , |
| Purity                     | Antigen affinity purified                                                              |
| Sequence                   | TVIETGVLELGAEV                                                                         |
| Target                     | Goat anti-Pecanex homolog Antibody                                                     |

|                    |                                                                                                                                                                                                                                                               |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | Peptide ELISA: antibody detection limit dilution 1:64000. Western Blot: Preliminary experiments gave no signal but low background in Human Skeletal Muscle and ovary lysates at up to 1µg/ml. We would appreciate any feedback from people in the field - hav |
