## Product Datasheet

### Goat anti-USP16 / UBP-M EVE-EB05992

|                            |                                  |
|----------------------------|----------------------------------|
| Article Name               | Goat anti-USP16 / UBP-M          |
| Biozol Catalog Number      | EVE-EB05992                      |
| Supplier Catalog Number    | EB05992                          |
| Alternative Catalog Number | EVE-EB05992                      |
| Manufacturer               | Everest                          |
| Host                       | Goat                             |
| Category                   | Antikörper                       |
| Application                | ELISA, IHC                       |
| Species Reactivity         | Human                            |
| Immunogen                  | GKKRTKGKTVPIDD-C                 |
| Clonality                  | Polyclonal                       |
| Molecular Weight           | 93.6, 93.5                       |
| NCBI                       | <a href="#">10600</a>            |
| Purity                     | Antigen affinity purified        |
| Sequence                   | GKKRTKGKTVPIDD                   |
| Target                     | Goat anti-USP16 / UBP-M Antibody |

|                    |   |
|--------------------|---|
| Application Dilute | Peptide ELISA: antibody detection limit dilution 1:32000. Immunohistochemistry: In paraffin embedded Human Kidney shows textured cytoplasm staining in the convoluted tubules. Recommended concentration, 4-6µg/ml. |
|--------------------|---|
