| Article Name               | Goat anti-Wfdc1 (mouse)                                        |
| Biozol Catalog Number      | EVE-EB11022                                                    |
| Supplier Catalog Number    | EB11022                                                        |
| Alternative Catalog Number | EVE-EB11022                                                    |
| Manufacturer               | Everest                                                        |
| Host                       | Goat                                                           |
| Category                   | Antikörper                                                     |
| Application                | ELISA, WB                                                      |
| Species Reactivity         | Mouse                                                          |
| Immunogen                  | C-RQRLHKEYPEGDSKN                                              |
| Clonality                  | Polyclonal                                                     |
| Molecular Weight           | 23,1                                                           |
| NCBI                       | <a href="#">67866 (mouse)</a> , <a href="#">171112 (rat)</a> , |
| Purity                     | Antigen affinity purified                                      |
| Sequence                   | RQRLHKEYPEGDSKN                                                |
| Target                     | Goat anti-Wfdc1 (mouse) Antibody                               |

|                    |                                                                                                                                                                                                                       |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | Peptide ELISA: antibody detection limit dilution 1:16000. Western Blot: Approx 19kDa band observed in Mouse Heart lysates (calculated MW of 23.1kDa according to NP_075884.1). Recommended concentration: 0.3-1µg/ml. |
