## **Product Datasheet**

## Rat IgG2b kappa Anti-His Tag (N-Ter & C-Ter) (Unconjugated) , Clone: [LO-His-1], Monoclonal SYN-LO-HIS-1-P-0.1

| Article Name               | Rat IgG2b kappa Anti-His Tag (N-Ter & C-Ter) (Unconjugated) ,<br>Clone: [LO-His-1], Monoclonal |
|----------------------------|------------------------------------------------------------------------------------------------|
| Biozol Catalog Number      | SYN-LO-HIS-1-P-0.1                                                                             |
| Supplier Catalog Number    | LO-His-1-P-0.1                                                                                 |
| Alternative Catalog Number | SYN-LO-HIS-1-P-0.1                                                                             |
| Manufacturer               | Synabs                                                                                         |
| Host                       | Rat                                                                                            |
| Category                   | Antikörper                                                                                     |
| Application                | ELISA, WB                                                                                      |
| Species Reactivity         | Rat                                                                                            |
| Conjugation                | Unconjugated                                                                                   |
| Clonality                  | Monoclonal                                                                                     |
| Concentration              | 1mg/mL                                                                                         |
| Clone Designation          | [LO-His-1]                                                                                     |
| Isotype                    | IgG2b kappa                                                                                    |
| Buffer                     | PBS/0,1%NaN3                                                                                   |
| Purity                     | Immunoaffinity chromatography (Purification on Mouse anti-Rat column)                          |

| Storage       | -20°C                   |
|---------------|-------------------------|
| Formula       | PBS/0,1%NaN3            |
| Target        | His Tag (N-Ter & C-Ter) |
| Antibody Type | Primary Antibody        |
